

Bree's Story-Sexy Secrets Is Almost Here!

September 23, 2022

Dear Reader,

I am so excited about this book and need to tell you that there are some parts in **Sexy Secrets**- Bree and Noah's story- that is spicy! Wowzah. I know, I know...contemporary romance always has a little more heat in the book than your typical romance novel but if you found Julia and Jackson's story brought some heat then hold on because this one is gonna knock your socks off!

To rate them:

Julia & Jackson's **Five Dates**: heat = 2 peppers

Bree & Noah's **Sexy Secrets**: heat = 3 peppers

This book tells the story of our town's sweetheart Bree, whom everyone loves except the town's mean girl who has had a vendetta against Bree since childhood. Grow up already! We aren't in Junior High anymore you *be-otch!*

Dr. Noah "McHunky" Roarke, our sexy, strong, good smelling, doctor will do anything to make sure Bree knows how much he loves her...and I mean **anything!** (*wink-wink*)

Once again, the gang's all there in Lake Harmony supporting our two main characters and having their own fun and shenanigans! Gertie continues to use her Facebook page **Harmony Hears** to post the gossip around town.

Do we love Gertie or is she the grandma gossip that everyone avoids? I personally love Gertie because behind all the gossip she spreads she does always have our backs when we need it. Bree is sitting here nodding yes at me. *Hmm?* I guess you have to read the story to find out exactly what happens.

Book Release is October 21st and I am so excited-so is Bree!! This story was so fun to write and share with all of you.

Thank you again for supporting me and joining me in Lake Harmony. I don't want to give

too many spoilers, but Sexy Secrets has a few of my favorite things:

- Teacher (because hello- I must support my fellow educators!)
- Gossip (I know, I shouldn't reveal this truth but nothing better than juicy gossip...shh!)
- Hollywood -what? Oh just you wait and see!
- Ghost (no spoilers will be revealed-don't ask, and don't share if you figure it out)
- Winery (I do love my wine!)
- HEA- Happily. Ever. After

Ok, some of the gang are reaching out to harass me and have something to say.

Julia: Hey Tanja, I am so excited that you are telling Bree's story. As you said she is the town's sweetheart and what *bleep* oh shoot sorry...**whispers*-I won't give away the name* ...is doing to Bree is horrible. I am so glad that Noah showed up to my grand opening of Harte of Harmony because I just KNEW they would hit it off. Maybe I should be a matchmaker?

Jackson: Jules, let Tanja continue being the matchmaker-okay honey.

Hillary: I'm going to knock this be-otch out the next time I see *bleep*

Me: You guys! Stop trying to drop spoilers! I get it, your friend was wrongfully harassed but I promised that it would all work out and yes, you all played a big role in supporting her. Geesh.

Garrett: Of course, I am portrayed as the strong, resilient Sheriff and protector.

Rob: Oh lord, someone stuff a sock in his mouth, Mr. Macho is talking again.

Hillary: Is it a dirty sock? Can we glue it down? I've heard enough from him to last me a lifetime. **rolls eyes**

Julia: ***Clears throat*** Anyway, we just wanted to make sure that everyone knew Bree did NOTHING wrong and we stand by her.

Noah: I appreciate everyone's love and support for Bree. We need to go now, Bree has some research she needed to work on and I don't want to keep her from it. Thanks for writing our story Tanja. This has been fun and I am so glad I have made such great friends in Lake Harmony.

Bree. Bye guys and thank you Tanja!
